

Remarks

Applicant respectfully requests reconsideration and allowance of the present application in view of the additional supplemental claim amendments and the remarks below.

Independent claims 42 and 57 have been amended to more particularly define aspects of the prize value of the formed words as a function of the commonality of the letters used to form the words (i.e., the complexity of the formed words).

Applicant respectfully submits that this Supplemental Amendment and the Amendment filed with the RCE of February 28, 2008, place the application in condition for allowance. Favorable action thereon is respectfully requested.

If any fee not accounted for above is required for entry of this Amendment or papers filed herewith, authorization is hereby granted to charge such fee to Deposit Account No. 04-1403. If any petition is required for entry, such petition is hereby made and any associated fees may also be charged to our deposit account.

Respectfully submitted,

DORITY & MANNING, P.A.
